**HAAG ENGINEERING CO.'S NOTICE OF SETTLEMENT  
AND REQUEST FOR CONFERENCE**

---

COMES NOW Defendant, Haag Engineering Co. ("Haag"), who hereby provides notice to the Court and all parties that Relators and Haag have agreed to settle the claims between them in this lawsuit.

Under the False Claims Act, the action against Haag may be dismissed only with the written consent of the Department of Justice. *See* 31 U.S.C. §3730(b)(1); *Searcy v. Philips Electronics North American Corp.*, 117 F.3d 154, 159-60 (5th Cir. 1997). The settlement agreement recognizes this limitation on the Relators' right to settle and provides the settlement agreement is effective upon the receipt of the written consent of the Department of Justice.

It is Haag's understanding the Relators have requested the Department of Justice to provide such written consent. Because trial is scheduled for March 25, 2013, Haag requests a conference with the Court and other interested parties, including Relators, State Farm Fire & Casualty Company, and the Department of Justice, to expedite consideration of this settlement.

WHEREFORE, PREMISES CONSIDERED, Haag requests this Court notice a conference with all interested parties in order to expedite consideration of Haag's settlement with Relators.

Respectfully submitted this 13<sup>th</sup> day of March, 2013.

HAAG ENGINEERING CO.
